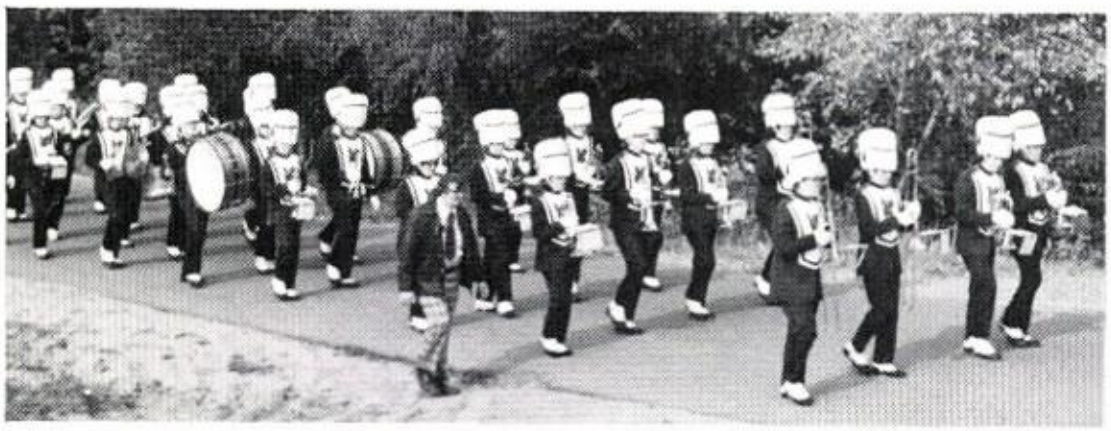
"The HCHS



The fifty-one members of the Harrison High School band participated in many events. Some of them were: The 4th of July, Homecoming, and Memorial Day parades. They were awarded four tropies for their efforts, during the 76-77 year. They also marched at all home football games and the Pep band played at all the home basketball games. The Symphonic band presented a winter and spring concert which was enjoyed by many people in the community. The band wrapped up one of their most successful years with a picnic at the city park for all their accomplishments.

The band members would like to give a special thanks to their band director, Charles Sheldon, who kept them going.

Our team compiled a 5-4 record and finished third in the Jack Pine Conference. The Hornets showed plenty of offensive punch, all season long, gaining 2,525 yards and scoring 33 touchdowns. Plagued by fumbles throughout the season probably cost the team the Conference Championship. But with all considered, we accomplished many of our team goals in 1976. Mr. Harris said, "I was very proud of the young men who played football in 1976, and I am sure that all of us who were part of the team will have fine memories of the 1976 season for many years to come."

The JV's went undefeated this year with the impressive record of 8-0. Head Coach Dave Rowe contributes this to the fact that his team had tremendous talent and they won their first game. He said this made the boys believers. And after the season they became young men.

The junior hornets scored a total of 150 points and gave up 34. To top off their success, three of their wins were shut outs.

Cross Country 1976

The Hornet Cross Country Team

The Hornet Cross Country Team had a tremendous season in the fall of 1976. Bruce Brandon, the team coach, was proud of their performance. When asked, he had this to say about the team; "The Harrison Hornet C-C Team had an outstanding duel meet record during the 76 season with 11 wins and 1 loss." This is the best record ever earned by the Hornets during four years of competition at the varsity level.

The team was composed mostly of upper classmen, five juniors, and two seniors. Five team members were veteran runners. Their experience in running probably contributed to the very successful season.

Although Cross Country had it's best season ever, the team placed only 10th in the regionals, out of 17 teams. No member of the Harrison squad qualified for the state finals.

Golf

The 1976 Varsity Golf Team had one of the largest turnouts ever. Consequently, the Junior Varsity Team was also one of the largest ever.

The Varsity Team consisted of: M. Kosciuszko, R. Foote, G. Roy, J. Hoeft, and B. Abbot.

The Junior Varsity Squad was composed of A. Eresten, T. Morris, R. Harcourt, M. Hensel, B. Larson, and R. Bucholz.

The team finished with a 3 win–1 loss League Record. This gave them a total of 11 wins and 3 losses for the season.

Greg Roy was voted most valuable player by his teammates. John Hoeft took a second place medal in the Conference Match, with an 86-18 hole total.

Yearbook Staff

Metamorphosis was produced by the Journalism students of Harrison Community High School. In addition to the yearbook, the class also produced "High Times," a small but factual newspaper.

Lisa Beavers edited Metamorphosis, and Larry Simons was the editor of "High Times."

Ms. Miriam Bender advised the class through the advertising and infancy stage. Ms. Bender moved to Lansing in January. At this point Dorne Davis took charge of the class.

Throughout the year many exciting events took place while working with the yearbook staff.

We would like to thank the following people for their time and assistance: Brett Whitmore, Kim Shoaf, and Rocky Welch all contributed their artistic ability. Craig Sharp contributed photography. A special thanks to Eric Gruesbeck of Intercollegiate Press.

We pay tribute in words to Leonard Hawks of Guys and Dolls Photography. Without his gracious attitude, "eye," and optimism, Metamorphosis might just be a word.

Foreign Language Club

The first year of the Harrison High School foreign language club was both eventful and successful. With only 8 members they sponsored a Dance and several bake sales to earn money. With their profits they went to Detroit to see "The Little Prince." They also sponsored a french dinner, which had many delicacies.

Developing and beautifing the area around the school is the work of the Conservation Club. They planted flowers in the front and seven miniature apple trees on the side of the school. The Conservation Club developed a nature trail that connects the High School with Hillside and Larson elementary schools.

The Conservation Club also puts on a dance. All profits from the dance were donated to the Wile's family, in memory of Neil.

Pictured above, Forensic Students L to R: Sitting N. Cook, M. Kosciuszko, B. Willet. Standing M. Howey, C. Gillett, J. Becker, A. Gassman.

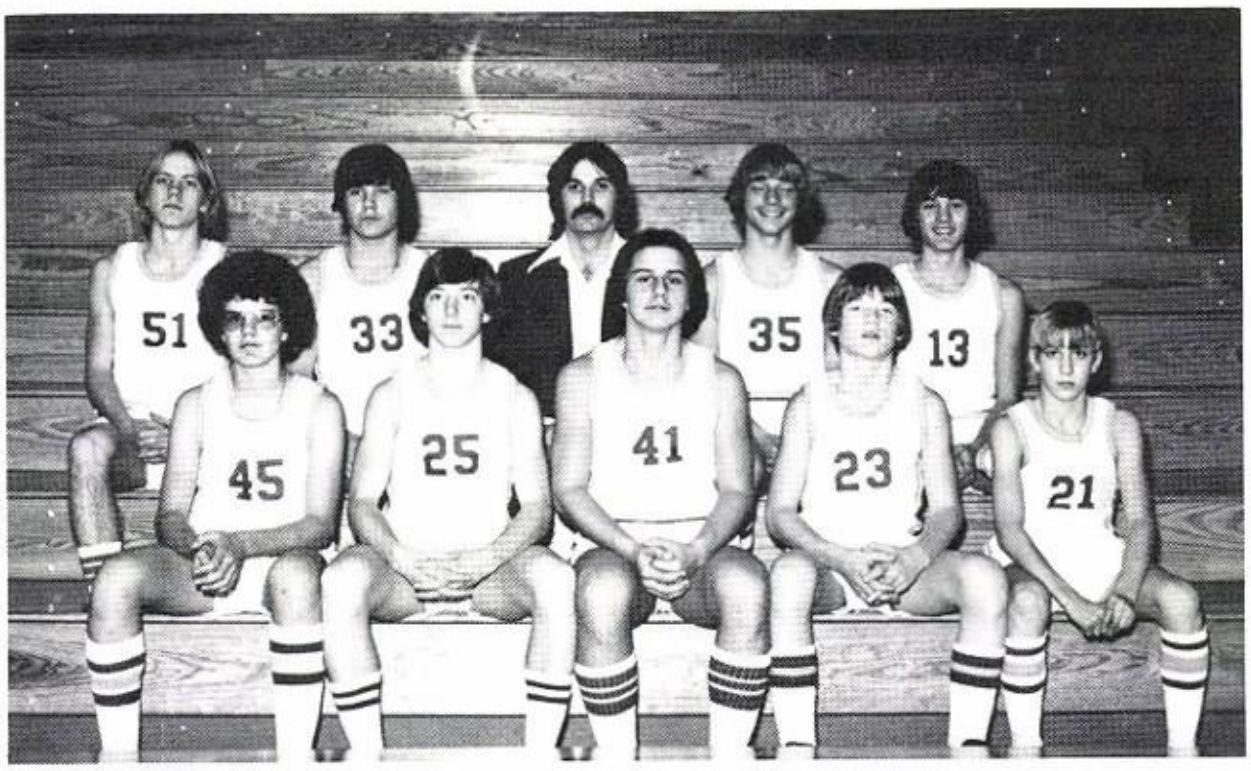
"Forensics"

Harrison High had only six students compete in the District Forensics Contest this year, compared to twenty-four contestants last year.

In spite of the lack of participation by this year's student-body, Harrison sent six students to the Regional Contest.

Jerry Becker captured 1st place in Radio Broadcasting, and Nancy Cook was awarded second place in Humorous Readings at the District Contests.

"Freshman Basketball"



Pictured above L to R–M. MacLean, D. Boulton, J. Tomes, D. Huntley, R. Nixon. Back row, L to R–M. Tyrna, C. Sharp, Coach Schimittner, R. Vasher and R. Bucholz.

The freshmen basketball team played outstanding basketball this season compiling a 9-7 overall record and a 9-2 conference record which took a second place in the Jack Pine conference. The team showed amazing stamina and durability, especially since the team was composed of seven players for most of the season.

Mark Tyrna and Dean Boulton lead the way offensively for the Hornets but, the team won by playing tough, aggressive TEAM defense.

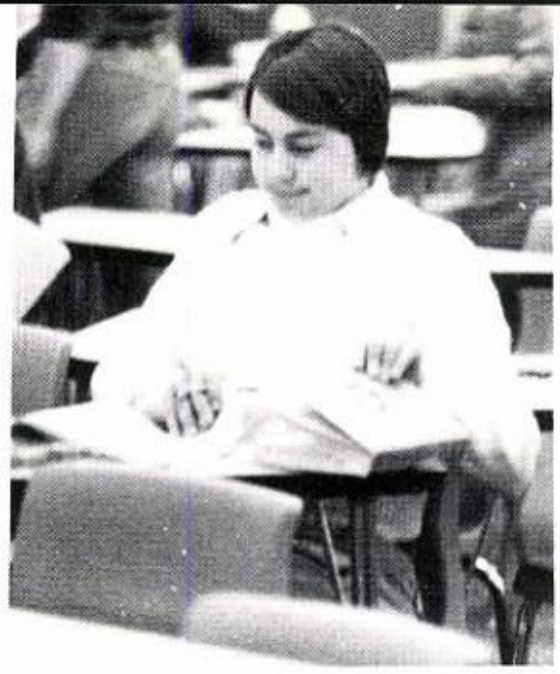
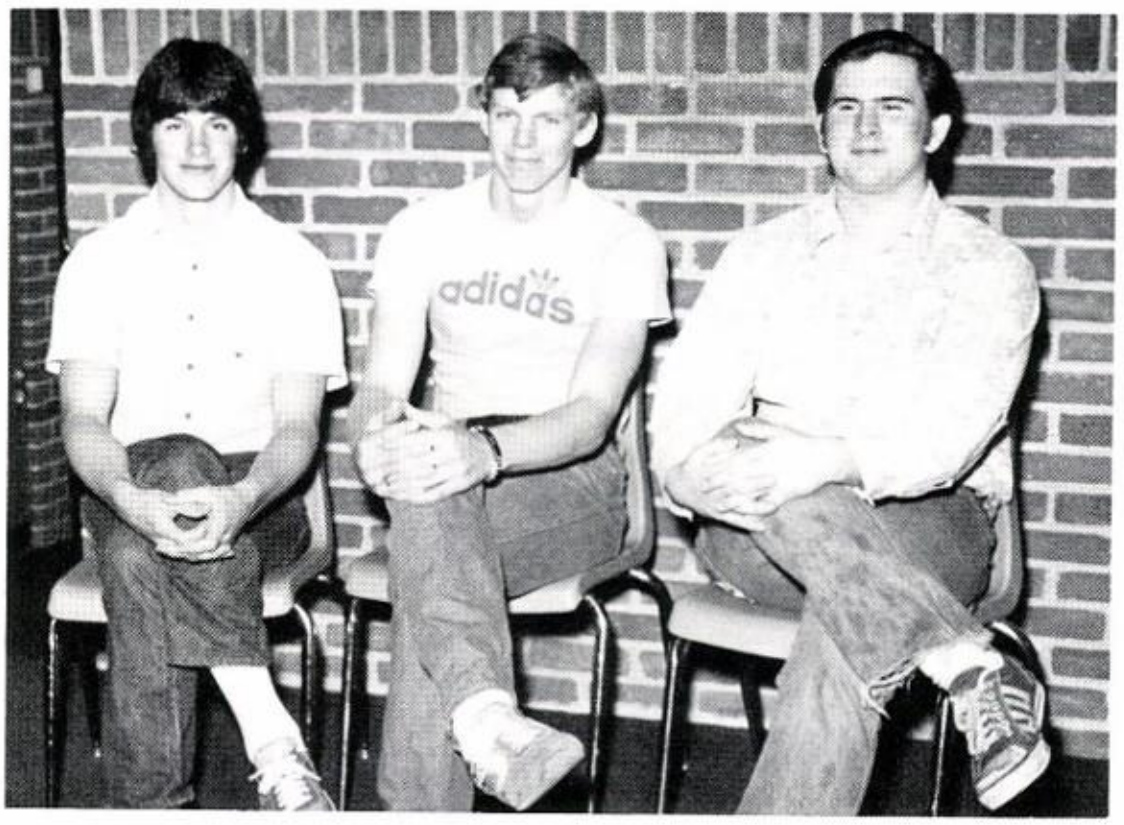
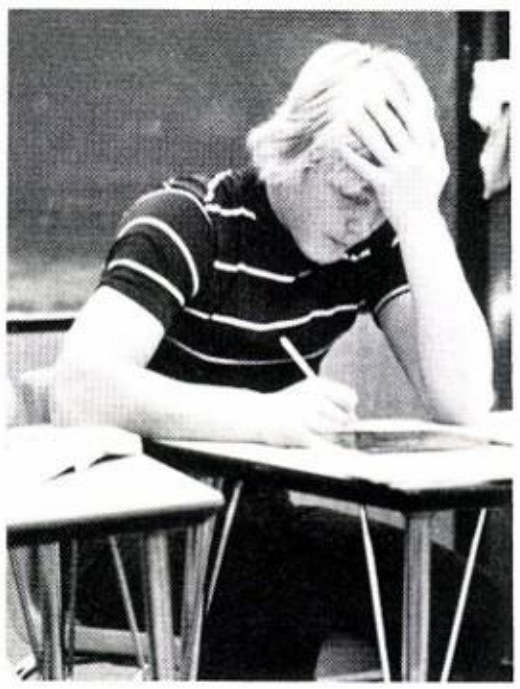
Typing Whiz



Now I can read my comics!



Juniors, L to R: Mike Haskin, John Cook, Calvin Bennett.



Why did I lose my cheat sheet!?

I hate typing!

Hmmm not bad!

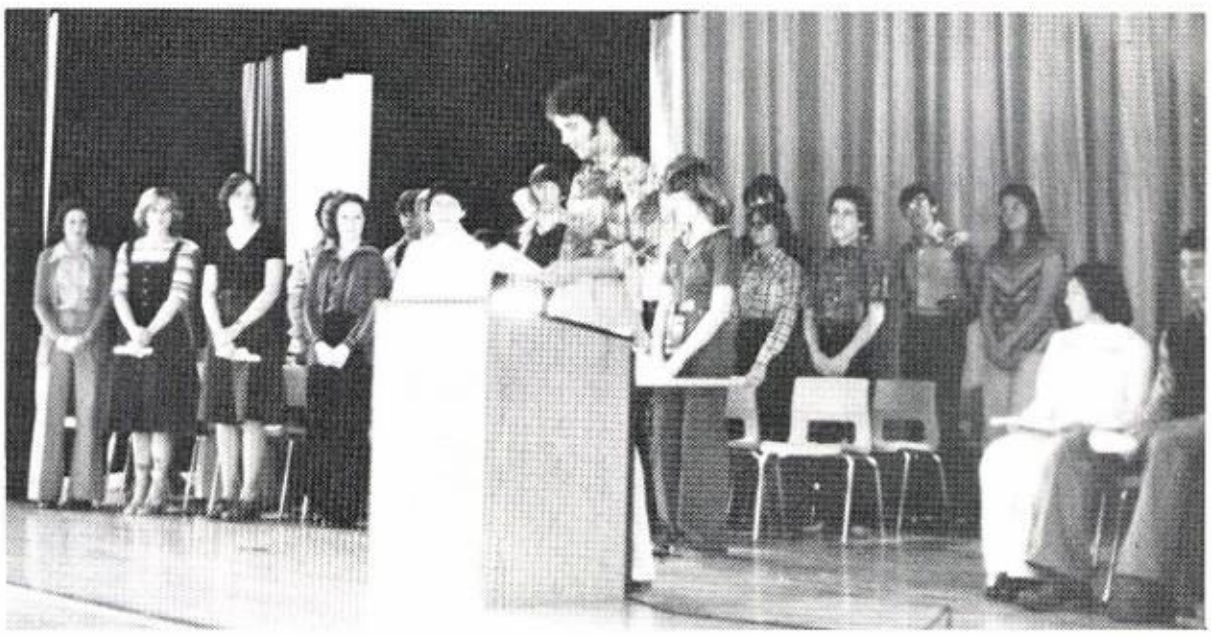
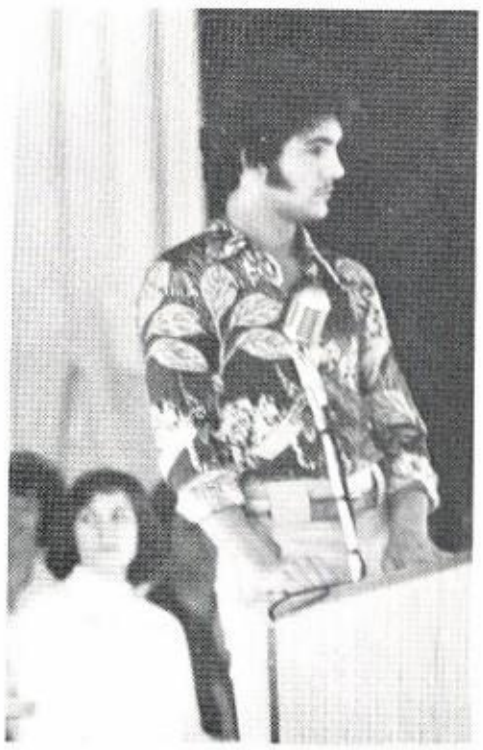
Honor Society



On April 26, 1977, Harrison Community High School inducted 38 new members into the National Honor Society, HCHS chapter. The ceremony took place in the drama area. M. Bosink is the group adviser.

Pictured above and at left, M. Kosciuszko involves herself in the candle lighting ceremony. Each candle has special meaning and significance.



Above and at right, Dale Martin addresses audience, inductees, and Honor Society members.

1977 Girls Varsity Basketball

Despite a disappointing 2-15 season the Hornet Varsity gained valuable experience on and off the court. Effort and attitude flourished under the leadership of Coach Nancy Noble and Co-Captains Mel Kullman and Danae Bucholz.

The Hornets will miss three-year veterans Mel Kullman nd Cheri Krocker but will have quite a line of returning players. These include; B. Walraven, D. Bucholz, C. Cook, K. Popp, L. Mehl, J. Sprague, and C. Ryder. Most Valuable Player—Danae Bucholz, Best Scoring Average—Tina Zender, Best Rebounder—Kelly Popp.

Track

The Hornet girls and boys track teams worked hard this year in practice and at meets.

The girls team, under coach L. Carrigan, poated a 4-3 conference. Most valuable team member was Linda Shafer.

The boys team, under coach B. Brandon, also placed 4th in the conference. All conference honors were gained by; G. Roymile, R. Webb–120 high hurdles, M. Haskin–high jumping, and C. Tomes–mile. Tomes also placed 9th at the state meet. Most valuable member was Mike Haskin.

This page does not reflect any individual but, portrays the individual agony and ecstacy required to produce the team effort. We salute the Hornets for a job well done.

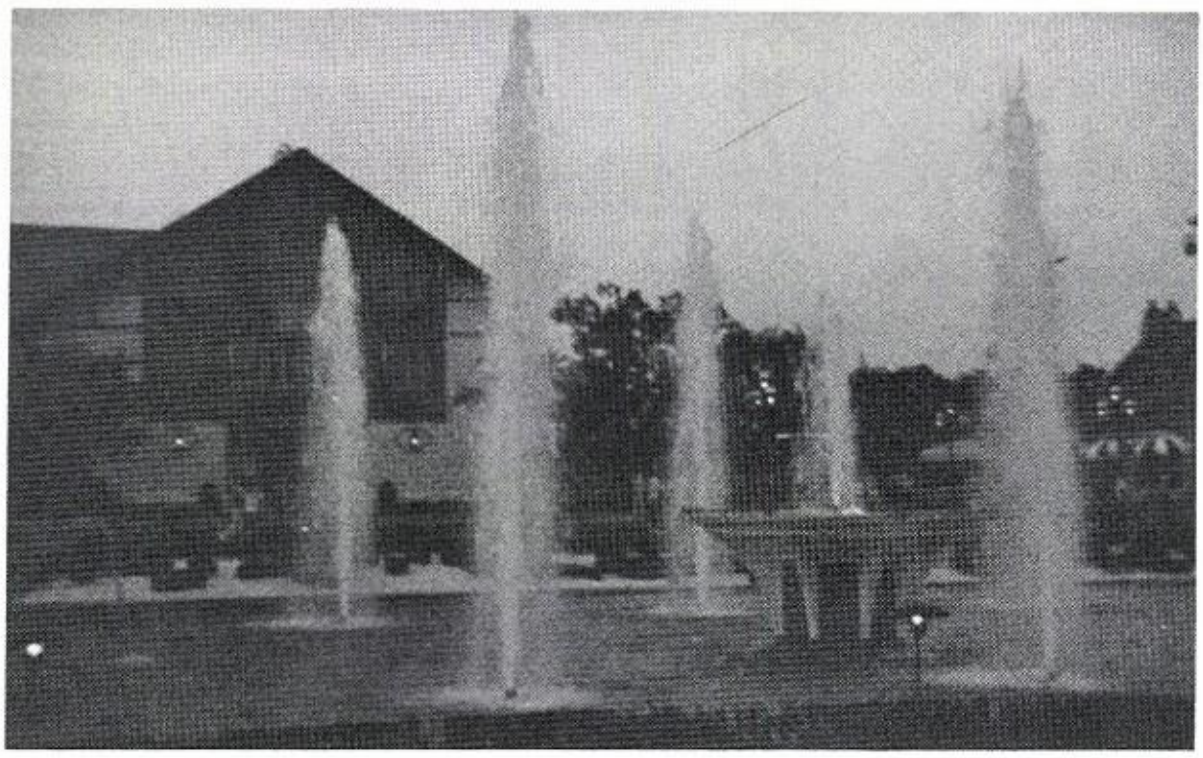
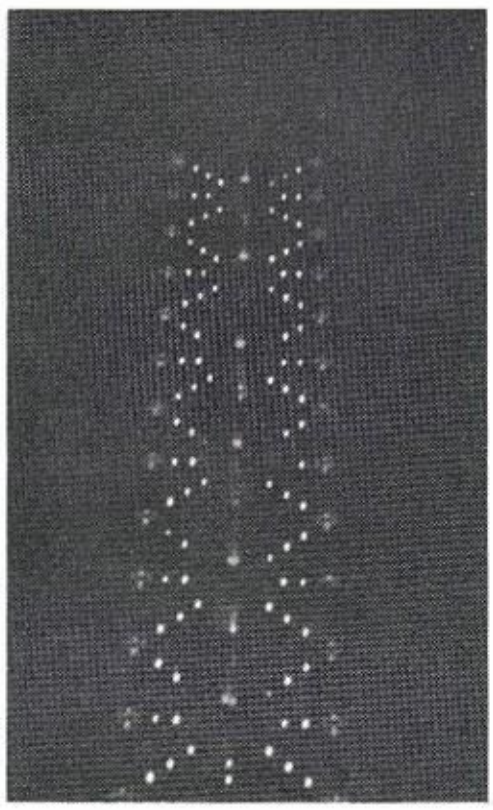
Senior Trip . . . . Kings Island



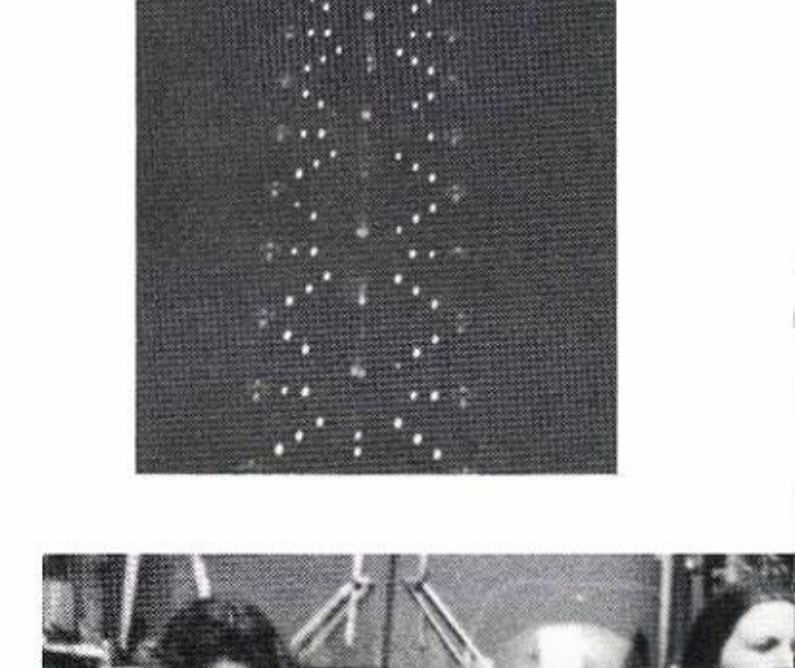


91 seniors made the long but, enjoyable trip to Kings Island in Kings Mill, Ohio. The trip started with the loading of the buses at 12:00 noon May, 20.

After a stop for food and also a rest stop we arrived at Kings Island at 8:30 p.m.

The seniors were able to enjoy the music of Burton Cummings as well as several other groups.

K. Mayfield, B. Pifer, and T. Wales accompanied the group serving as chaperones.



Senior Sidelights

Trade you a cookie for a Twinkie!

She's kind of cute.

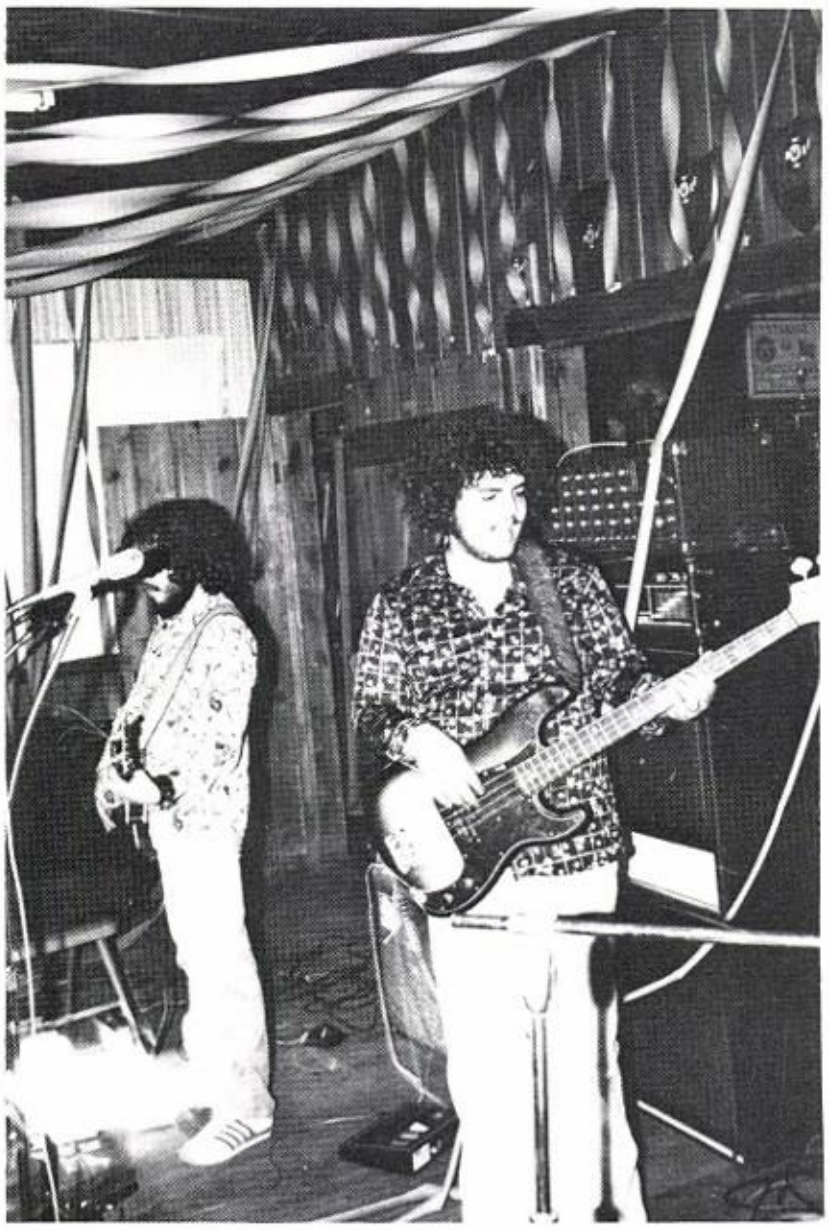
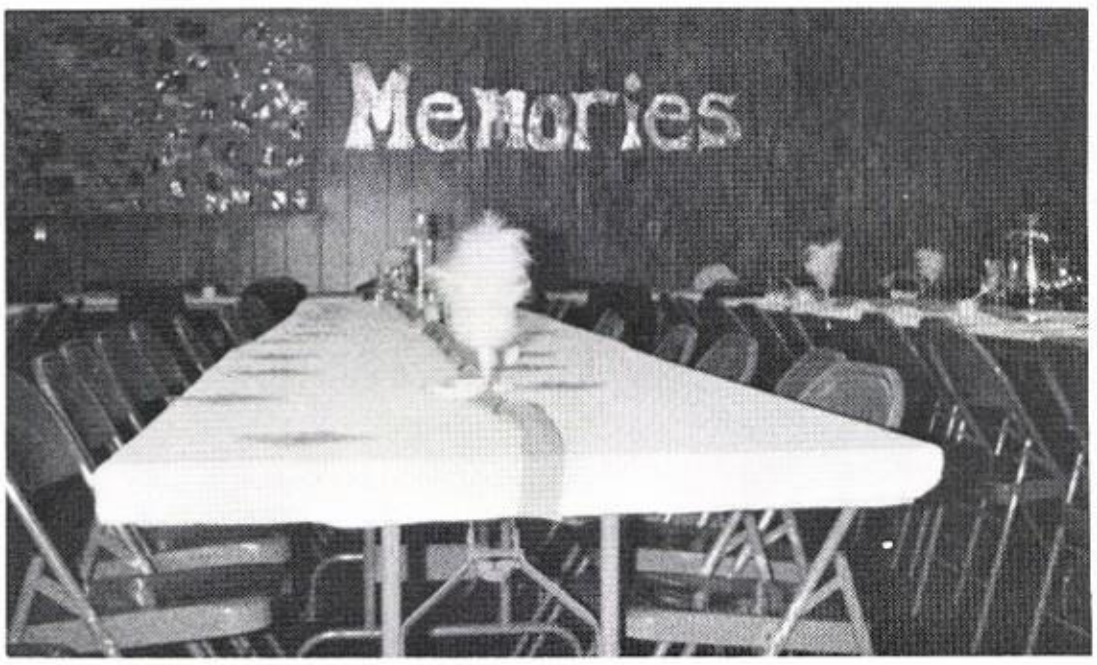
"The Way



We Were"



THE WAY WE WERE

The Junior-Senior prom for 1977 was April 23 at the VFW Hall. The theme "The Way We Were" was portrayed with a collage of juniors and seniors throughout their school days and from past yearbooks. The prom was considered a success mainly because of the funky sounds of "The Juarez Brothers" who provided the music and the catering by Kay Haskin and Carol Wynne.

The decorations for the prom were provided by the junior class and included: blue streamers, silver columns, collage, silver stars, a painted backdrop, and vines with red carnations.

Alumni Association

The Harrison Community Schools Alumni Association is the oldest active high school alumni group in Michigan.

In 1977 we will celebrate 75 years of meeting annually to renew old friendships.

At the beginning when the school was much smaller complete banquets were held; at first in what is now the Masonic building and was then called the opera building.

Through the years the event has been streamlined because of growing membership and is now a coffee hour held every Memorial Day weekend at the high school. For the past two years the high school drama department has provided the entertainment with a series of skits.

In 1976 we had a record attendance of over 300 with six classes holding reunions. The Lion's building was rented for the evening with refreshments and food and dancing provided and proved to be a success.

Each year the graduating class is the honored guest and the coffee hour is held to introduce the newest members (the current graduating class) to the other alumni and initiate their membership in Michigan's oldest active high school alumni association.

The officers for 1977 are:
President—Gerald Hughes
President-Elect—John Gendregeske
Secretary—Linda Brooks
Treasurer—Kathy Cleveland
